

# FALL WINTER

COLLECTION 26/27

LIPS

# Moonlight Veil Hydra Balm

RD-RSA027.CL

A new balm concept with the mirror effect of a lipgloss. This VEGAN balm-gloss will envelop the lips in a veil of shine and emollience.

The lips will be immediately soft and voluptuous.

Smooth in application, this soft and melting texture gives a glossy finish and can be developed in different shades

## KEY INGREDIENTS

- **Esters and polymers** with a high refractive index in addition to the beads make the product very shiny, soft and smooth in application
- **Hyaluronic acid spheres** in functional % provide a moisturizing\* and nourishing effect

**\*Hydration support test**

◆ **VEGAN**

◆ **OK FDA**

# Lip-a-nana Oil Gloss

RD-BTG009.BC

A nourishing lip oil that enhances your natural smile.

Enriched with ultra-shiny oils, this lip oil provides intense hydration while giving lips a fuller, more voluminous appearance.

Lightweight and non-sticky, it leaves a glossy finish and keeps lips soft, smooth, and irresistibly kissable.

## KEY INGREDIENTS

- **Phytosqualane**: an emollient oil that improves elasticity and hydration
- **Film-forming agent** that improves water resistance and gloss adhesion, ensuring long-lasting effect and protection
- **Derived from olive oil**, it helps create a protective film and provides a rich, creamy texture
- **A complex of waxes** (Sunflower, Jojoba, and Mimosa) that forms a protective film and can absorb up to 6 times its weight in water, ensuring long-lasting hydration
- **Jojoba Oil** 2%
- **Apricot Kernel Oil** (marketing %)
- **Banana flavor**

◆ **OK FDA**

# Cozy Matte Lipstick

RD-RSA048.AB

Innovative ultra-sensory soft matte formula that once applied it feels smooth, comfortable, and delivers full color.

Perfect on the lips and also great as a blush on the cheeks.

The gliding texture envelops the lips in a gentle caress, offering great results from the very first swipe.

A blend of emollient ingredients ensures a thin film, while texturizing powders give the formula its creamy feel.

## KEY INGREDIENTS

- Blend of light touch **emollient oils**
- **Texturizing powders** that give creaminess to the texture

◆ **VEGAN**

◆ **OK FDA**

◆ **SEPHORA CLEAN**

# Cream & Chic Lipstick

RD-RSA072.AB

A lipstick with a creamy and nourishing texture, ultra gliding provides a sensorial experience and an emollient effect.

The combination of raw materials creates a comfortable, velvety, and nourishing texture, while high-shine polymers ensure a luminous finish.

The emollient oils within the formula provide a rich feel.

The color glides on easily, adheres instantly to the lips, and defines them with precision.

## KEY INGREDIENTS

- **Mix of raw materials** that gives a comfortable texture
- **Oils** with emollient effect
- **Hyaluronic acid spheres** (functional %)

# Skin Reset Mist

RD-APSO01.BC

This Skin Reset Mist helps to reduce redness and irritation, even after shaving, by providing a boost of hydration that leaves skin plump, glowing, and refreshed.

Enriched with a protective provitamin, it gently calms and softens the skin, forming a veil of intangible comfort.

Perfect for a quick refresh or to set makeup, this mist is your daily dose of hydration, rich in antioxidants for a radiant complexion.

## KEY INGREDIENTS

- **Cranberry Water\***, a valuable source of vitamins and polyphenols
- A combination of four types of **hyaluronic acid** with different properties\*
- **Prickly Pear Extract\*** (Opuntia ficus-indica), which contains vitamins A, B1, B2, B3, and C, and the minerals potassium, calcium, and magnesium. This active ingredient blocks the release of stress markers from the skin's sensory nerve cells, calming and soothing irritated skin. Furthermore, it has excellent moisturizing properties thanks to its high content of hydrating compounds.
- **Pantenol (Pro-Vitamin B5)** provides emollient and soothing properties.

# Skin Harmony Serum

RD-SFG007.BC

This serum visibly diminishes dark spots and hyperpigmentation for a more radiant complexion.

The formula actively strengthens the skin's natural defenses, boosting its resilience against daily stressors.

It stimulates the skin's natural support structures to promote a smoother, firmer, and more toned appearance.

Finally, it provides a soothing and calming effect, leaving the skin exceptionally soft, comfortable, and visibly refreshed.

## KEY INGREDIENTS

- **Pantenol (Pro-Vitamin B5)\***, softens the skin, has a soothing action and helps reduce skin irritation.
- **Pentylene Glycol**, an excellent emollient that helps maintain skin hydration.
- **Niacinamide** (2% functional), reduces the appearance of hyperpigmentation, strengthens the skin barrier and helps minimize signs of aging.
- **Hyaluronic Acid** (1.5% functional), provides multi-level hydration, stimulates the natural production of collagen and improves skin elasticity.
